You can make corrections in this period – work only with the Enrolled courses

What you can correct? If you see symbol “Select” , you should enter and choose a new time table which is available. It can happen in case there are more seminars and the one you chose is full, others are free.

3) **2nd round** of the Enrollment: **OPTIONAL AND LANGUAGE COURSES WERE APPROVED! (hV, sV, hJ)**, you cannot add any “new courses”! If a course was not approved (i.e. due to the capacity) you can wait for any change during the run - when a capacity appears - > choose “Select” -> confirm the time table
