

Optional courses – 4th semester students and higher

Students under the study plan 2024/2025

All students must check if his/her study plan is fulfilled in the section **hV** = optional courses in the required number 12 ECTS in total!

If not, see the offer of the courses of this group and register a course for the missed number of credits.

If you are still not sure how your study plan looks like and what you are required to fulfil, check the IB website where you can find the sample of the study plan and other information in the section “Current students” -> [Study and Examination Rules](#) -> [Study plan](#) (sample in two years valid from intake 2023/2024 and further)
